ne Mission

International Conference and Exhibition of Anti-Terrorism and Special Operations and Cyber Security “ ATSO IRAQ ”

EVENT PURPOSE

the purpose of the event is to display the technical equipment and intelligence systems specialized in the field of cyber security and to shed light on the capabilities of the Iraqi Counter-Terrorism Service.

It is a scientific, commercial and economic forum in which all the international companies participating in the exhibition have the latest technologies and equipment for combating terrorism, special operations and cyber security. It is also an opportunity to exchange experiences between the Iraqi Counter-Terrorism Service and the rest of the international services participating in the exhibition.

THE EVENT

- The anti-terrorism, special operations and cyber security exhibition will be held on the grounds of the Baghdad International Fair.
- The scheduled periods of the exhibition is four days from the opening date.
- The opening hours of the exhibition are daily from ten in the morning until four in the afternoon, with the exception of the closing or conclusion day, will be until one in the afternoon.
